Parents who apply for space in 2018 please note the following:

1. It is important to add a note to your application form indicating how many times you have applied before. **(Only for parents who apply for space in Grade R – 7)**
2. We enroll Vryburg children first and all applicants from other areas are considered if space is available. **(Only for parents who apply for space in Grade R – 7)**
3. Incomplete forms or forms not properly completed will be rejected.
4. It is important to remember that financial planning is essential since school fees and transport costs need to be taken into consideration.
5. We are oversubscribed in some classes, in certain genders, which influences whether we enroll boys or girls. This is for sports purposes. **(Only for parents who apply for space in Grade R – 7)**
6. We cannot respond to applications until the end of the year. We have limited space in all class-rooms and we have to wait to see how many children pass, how many children repeat and how many transfers we have at the end of each year. It is only then that we know whether we have space available.
7. Sometimes it happens that families take transfers at the beginning of the year. It is risky for you to wait until January for space at Tiger Kloof so we encourage you to apply to other schools as well. If you are willing to take the risk and wait until January to see whether we have space, it is your choice.
8. Boarding is only available for Gr. 8 – 12 learners.

We thank you for considering Tiger Kloof for the education of your child.

Unabridged Birth Certificate For Minors – All You Need To Know

From 1 June 2015, the Department of Home Affairs in South Africa will require all passengers under 18 to travel with an Unabridged Birth Certificate.

What is it? A new immigration law is coming into effect on 1 June 2015.

Under the new law, all minors under the age of 18 years will be required to produce, in addition to their passport, an Unabridged Birth Certificate (showing the particulars of both parents) when exiting and entering South African ports of entry.

Why is it happening? This is being done to curb human trafficking. According to the Department of Home Affairs, 30 000 minors are trafficked through South African borders every year. 50% of these minors are under the age of 14.

When the new immigration regulation comes into effect on 1 June, it will be the responsibility of passengers to ensure their children have the correct documentation or risk being denied boarding. The new law will be enforced by airlines and immigration officials across the board (land, sea and air). Although airlines and travel agents are doing everything to keep passengers informed, ultimately it will be passengers' responsibility to know what is required of them. **In all cases an Unabridged Birth Certificate will be required for minors departing and arriving in South Africa ... they will not be allowed to travel without it.**

In cases where the Unabridged Birth Certificate is in a language other than English, it must be accompanied by a sworn translation issued by a competent authority in the country concerned.

Children travelling with only one parent

When a child travels with only one parent, additional documents should include an affidavit in which the absent parent gives consent for the child to travel, a court order granting full parental responsibilities or legal guardianship of the child, or the death certificate of the absent parent. The affidavit should be no more than 3 months old from date of travel.

Children travelling without either parent

In the case of a child travelling with a person other than a parent, the Unabridged Birth Certificate must be supplemented by affidavits from the parents or legal guardians confirming that the child may travel with that person, copies of the ID documents or passports of the parents or legal guardian, and the contact details of the parents or legal guardian.

Similarly, a child travelling as an unaccompanied minor would have to produce not only the Unabridged Birth Certificate, but also proof of consent from both parents or legal guardians and contact details, plus documentation relating to the person receiving the child in South Africa. The latter documentation should include a letter stating the person's contact details and residential address, contact details where the child will be residing, plus a copy of his or her ID document, passport or residence permit.

Application process for Unabridged Birth Certificates

- **Apply at your nearest Home Affairs office where your Biometric information will be verified.**
- **Take your ID book along, as well as your child's ID number.**
- **All documents submitted must be originals or certified copies.**
- **The Unabridged Birth Certificate costs R75.**
- **It can take up to 8 weeks to acquire an Unabridged Birth Certificate from the date of application.**

Since last year, Unabridged Birth Certificates have been issued automatically for newborns. If your infant was born after 14 March 2013, you should be in possession of a UBC.

Certified copies of documents are usually valid for 6 months only.

Don't delay applying for Unabridged Birth Certificates as the time frame for obtaining the documentation varies greatly, from a few weeks to several months.

Department of Home Affairs toll free hotline: 0800 60 11 90

Home Affairs resources: <http://www.home-affairs.gov.za/index.php/birth-certificates1> and <http://www.dha.gov.za/index.php/notices/474-new-immigration-regulations-other-notices>

We urge you to take steps to obtain Unabridged Birth Certificates, and any other documentation required as soon as possible to avoid delays at the airport.
